ROBB REPORT - Holiday Host's Guide 2014

"Top 50 Spirits of 2014" *Wine Enthusiast*

5 STARS/HIGHEST RECOMMENDATION *Spirit Journal*

Distillers' Notes: When my father & I distilled this whiskey in '99, we decided to release it in waves so whiskey fans could experience the evolving flavors just as if they were at the Distillery. Now, with 14 years of age, the hops have settled into the mid palate while the toasty richness from the American oak barrels carries the bold main body. Allowing it to age additionally in neutral barrels is adding a roundness as all the flavors marry. Some want to add a splash of water, some won't. Be ready for an explosion of flavors of caramel, toasty vanilla all in layers that unfold & linger on & on. *It's number III in the collection.*
